

## 2019 – 2020 Uniform Order

### **Uniform orders this year will be for U9 and NEW PLAYERS selected to a team.**

If your child is selected to be on a team, you will receive an email in early July from our uniform vendor - Teamsports. We will be collecting uniform orders online. You will receive a link in this email to place your order. If you want to buy accessories (backpacks, warm-ups, etc.), this is the time to do it and take advantage of no delivery fees. As in the past, you will have approximately **10 days to place this order**. It takes two months for Teamsports to receive the order from Adidas, screen print and then deliver to us prior to the first game (uniforms will be delivered to practice fields). If you don't place your order within this timeframe, you risk not having the uniform for the first game. The club typically uses the same kits for two consecutive years (2018-19 and 2019-20).

**Because items are custom printed, you may not return these items. Please make sure items fit prior to ordering.**

### **Required 2019-20 Kit:**

- Two Jerseys (1 White, 1 Black)
- One Short (Black only)
- Two Socks (1 White, 1 Black)

Package price (2 shirts, 1 short, 2 socks) is approximately \$120. Adult sizes will be slightly higher.

### **Players entering U9 and any NEW PLAYERS ONLY:**

Please fill out the uniform number request form below. List your top 3 choices, and hand in at the uniform table. We will do our best to make everyone happy. We recommend avoiding low numbers or popular soccer player numbers as these are the most likely to have multiple requests.

### **Returning players:**

We recommend you place orders for new sizes or accessories now to avoid shipping fees. When ordering, DO NOT change your child's current uniform number unless you have gone through the uniform coordinator first.

### **Any questions - Please contact the uniform coordinator:**
